

# Practical Systems Bank Feed

## EXCITING NEW FUNCTION IN PS CASHBOOK

Time poor and paperwork a chore??? You can now streamline entering all your transaction records and reduce time from hours to minutes with **AUTOMATIC BANK FEED**.

### WHAT IS AUTOMATIC BANK FEED?

Automatic Bank Bank Feed is the ability to import transactions directly from your bank(s) into PS Cashbook.

You can initiate an **AUTOMATIC BANK FEED** for any of the participating banks (to view, click on the **SETUP>BANK FEED** menu option, and click on the dropdown list of available banks) and for as many accounts as you want.

Note: Credit cards are not currently available.

### WHAT ARE THE BENEFITS OF AUTOMATIC BANK FEED?

- Eliminates the need to manually enter bank transactions into PS Cashbook
- Increased speed and accuracy of Bank entered
- Up-to-date transactions giving a complete cashflow picture
- Up to date reporting

### HOW DO I ACTIVATE AUTOMATIC BANK FEED?

Annual subscription of **\$90.00** for Automatic Bank Feed has been included in your **PS Cashbook Renewal Subscription**. Click on the **SETUP>BANK FEED** menu option then click on the **HELP** button to guide you through the setup process.

### IMPORTANT INFORMATION

**AUTOMATIC BANK FEED** facility has been included in your **PS Cashbook Renewal Subscription**.
